PROFILE

I fuse technology, critical thinking, creativity and excellent time management skills into scalable, responsive, and accessible web apps. Emphasis on accessible. I preach the accessibility gospel.

WORK EXPERIENCE

FRONTEND ACCESSIBILITY DEVELOPER

JUPYTERHUB - OUTREACHY INTERNSHIP

OCT 2022 - MAR 2023

- Evaluated JupyterHub's pages using **WAVE accessibility testing tool** and **axe DevTools**.
- Proposed solutions to accessibility issues pointed out by tests and discussed these solutions with members of JupyterHub's community and the JupyterLab accessibility team.
- Implemented changes approved by the team and tested them using **screen readers** like VoiceOver and ChromeVox.
- Integrated accessibility testing into the development process, in collaboration with the Jupyter Accessibility team, to ensure we do a better job going forward.

FRONTEND DEVELOPMENT CODING COACH

CODEJIKA

AUG 2022 - NOV 2022

- Introduced students to programming technologies like **HTML, CSS** and **JavaScript**.
- Mentored 75- 80 students across two schools as they started and navigated their way through coding.
- Set up Coding clubs in schools in my community with the hope that it gets included in the curriculum as time passes and eventually my mentees are equipped with skills necessary to make a positive impact in the society.

VOLUNTEER EXPERIENCE

GDG CHAPTER CO - ORGANIZER

WOMEN TECHMAKERS AMBASSADOR

- With the team, I organize activities like tech talks, in-person and virtual meetups, hands-on sessions and workshops, study jams etc with the goal of providing members in my community opportunities to learn, network and grow.
