WORK EXPERIENCE

FRONTEND ACCESSIBILITY DEVELOPER

JUPYTERHUB - OUTREACHY INTERNSHIP

OCT 2022 - MAR 2023

- Improved the accessibility of JupyterHub; an open source service used by millions of people that creates on-demand cloud-based Jupyter notebook servers.
- Evaluated JupyterHub's pages using **WAVE accessibility testing tool** and **axe DevTools**.
- Proposed solutions to accessibility issues pointed out by tests.
- Implemented changes approved by the team and tested them using **screen readers** like VoiceOver and ChromeVox.
- Integrated accessibility testing into the development process, in collaboration with the Jupyter Accessibility team, to ensure we do a better job going forward.

FRONTEND DEVELOPMENT CODING COACH

CODEJIKA

AUG 2022 - NOV 2022

- Introduced students to programming technologies like **HTML, CSS** and **JavaScript**.
- Mentored 75- 80 students across two schools as they started and navigated their way through coding.
- Also set up coding clubs in schools in my community that continued to support students even after the coaching program was prematurely terminated

VOLUNTEER EXPERIENCE

GDG CHAPTER CO - ORGANIZER

WOMEN TECHMAKERS AMBASSADOR

- With the team, I organized activities like tech talks, in-person and virtual meetups, hands-on sessions and workshops, study jams etc with the goal of providing members in my community opportunities to learn, network and grow.
